Treasurers report was approved as printed. M/S/P

Communication: None

Old Business: None

New Business:

M/S/P to accept the resignation of Bob Hankey as Water Quality Chairperson.

M/S/P to accept the appointment of Gary Meyer as Water Quality Chairperson.

Beads were purchased for the 4th of July Parade. Volunteers are needed to walk in the Parade.

Bob Hankey reported that the computer was taken to a tech, to be cleaned up and worked on. Bill for service was \$48.00. The updating will allow for the Newsletter to be sent out. The new logo is also available.

Sue reported that some members would like to have less information printed in the directory and this will be looked into. Cindy is not aware of what the programs will allow them to do.

Committee reports:

Membership: Cindy handed out the results of the Questionnaire. There were 44 mailed out questioning reasons why membership was not renewed. 27 renewals were received. Discussion was held on the time of year renewal notices were mailed and if 1 or 2 reminders were necessary for the renewals not received.

Water Patrol: Ted reported that all is going well. The boat will be ready for the 4th of July Parade. Schedule for July has been sent out.

Fisheries: No Report

AMS: Rich reported that the treatment of Christmas Lake down by the Cities, although no zebra mussels were found initially in the treated area by divers, subsequent dives outside of the treatment area turned up 10 zebra mussels, Additional dives will take place to determine if any further treatments are necessary and feasible. However, the DNR is pleased that the treatments were effective in the containment zone and such an approach can be taken in the future.

Watercraft inspections have begun at the County 5 launch ramp on Woman Lake. Inspections began the first weekend in June and are also scheduled for this weekend (June 13-14).

Road Signs: Don reported for Dave. Jon and Dave were out and put up all the new signs.

Water Quality: Bob reported that the First sample has been taken so the processing is off and running.

Shoreline Naturalization: No report

Conservation/Stewardship: Vic passed around the handouts that the ACCL will be giving to the resorts with updated information concerning AIS. He reported that there is long term monitoring of the water samples being done on other lakes. Will discuss further.

No other reports.

Next meeting will be July 15th (Wednesday) at 6:30 PM.

M/S/P to adjourn meeting.

Respectively submitted,

Joyce Humphreys, Secretary
